PRECISION MACHINING, FABRICATION & ASSEMBLY

- Precision horizontal and vertical milling
- CNC lathes, swiss turning centers, multi-tasking lathes
- CNC punching, forming, welding and mechanical assembly
- Complete project management
- Laser cutting up to .750" thick
- Laser engraving

CNC Innovations

1030 Lone Oak Road, Suite 104 / Eagan, MN 55121
(651) 209-1701 / Fax (651) 209-1703

PRECISION MACHINING

- Specializing in CNC milling of aluminum and plastics
- Prototype and production
- CNC and manual milling (up to 25" x 40")
- Gibbs CAM with IGES, DXF capabilities

Flour City Bending

19909 Industrial Dr. NW / Big Lake, MN 55309
(763) 262-PIPE (7473) / Fax (763) 262-7475

TOOLING AND FIXTURES

- ISO 9001 / AS9100
- Precision tooling and assembly
- Waterjet cutting
- Hydraulic and pneumatic work holding
- Design and build custom machines
- Large envelope machining up to 98" x 165"

Grove Die Casting

1339 Industrial Park Drive / Union Grove, WI 53182
(262) 878-4050
www.grovediecasting.com

ALUMINUM DIE CASTING

- ISO 9001
- Multiple 600 ton cold chamber aluminum die cast machines
- Die cast parts from 0.15 to 6lbs
- Quick die change set up
- Machining, polishing, vibratory deburring, shot blasting
- Painting, plating, and coating
- Assembly, tooling

Precision Tool Technologies

924 Wright Street, P.O. Box 763 / Brainerd, MN 56401
(218) 454-0434
www.precisiontooltech.com

- Rapid Prototypes (stratasys fortus 3D FDM printer)
- Materials available: ABS, ULTEM, and polycarbonate (semi-transparent)
- Build area: 16"X14"X16"
- Quick turn milling and turning capabilities
- Automated machining
- Injection molding 85 to 310 ton, 3.3oz to 37oz shot size

Hawkeye Metal Spinning

1040 Hawkeye Road, P.O. Box 266 / Jesup, IA 50648
(319) 827-1347 / Fax (319) 827-3222
